Flintridge Bookstore Self-Publishing Services

With our extraordinary Espresso Book Machine, we have the pleasure of being able to offer self-publishing and printing services. Whether it's to print your work of fiction, a family cookbook, a memoir, a poetry compilation, or a vintage magazine collection, we are here to help. All you need to do is provide (2) PDF files: (1) for the text and (1) for the cover. Our Espresso Book Machine will print you high-quality paperback books that range anywhere from 50 pages to 800!

Why Should You Print Your Book With Flintridge Bookstore?

- **YOU** call the shots – this is your project and no one else's, and we'll print your work exactly the way you want it within the scope of the machine's requirements.
- We'll provide one-on-one support throughout the whole process, to include personal consultations and email communication.
- You reserve all rights to your work, so you have complete control over content, design, etc.
- No set minimum or maximum copies! You can print as little as one copy or as many copies as you'd like.
- You have the option to choose from an array of additional services – from book cover templates, to additional formatting & editing, to marketing assistance, to consignments & events, and more.

What We Need

We need TWO print-ready files: (1) for the text block, printed on our acid-free paper, and (1) for the cover, printed on photograph-quality cover stock. If you don't have a cover design already, you may pick from several design templates.
